

YPACS Membership Expectations

Young Professionals of the American Cancer Society membership begins on January 1 and ends on December 31. To join YPACS and to remain on the Leadership Council, individuals will complete a training call with a current member and commit to the following:

1. Serve as a community ambassador for the American Cancer Society's mission and programs through recruitment, social media, and more.
2. Achieve an individual fundraising minimum of \$250 annual give/get for the defined YPACS year. Fundraising minimums can be met through the following ways:
 - Event ticket sales
 - Sponsorship procurement for an event
 - Online fundraising. Members can set up a personalized YPACS fundraising site and are encouraged to share this with others via social media and email.
 - Host a third-party event (i.e.: Jean's Day, Bar Night, Bake Sale, etc.)
 - Personal check or cash donation (does not include purchase of auction items or raffle tickets the night of the event)
3. Participate in your assigned committee to accomplish group fundraising goals.
4. Active involvement including attending YPACS meetings, social events, and volunteer opportunities.
 - Members should make a consistent effort to be present at large group meetings and other YPACS events – members are **required to attend 75% of meetings**
 - Large group meetings generally take place once a month.
5. Volunteer for at least one other American Cancer Society event. Some options include:
 - Relay For Life
 - Making Strides Against Breast Cancer
 - Falmouth Road Race
 - Bicycles Battling Cancer
 - Key Gala

A mid-year assessment will take place to evaluate progress towards these goals, with a one-on-one meeting to occur if needed to ensure successful completion by year end.
